1. CA A 84

Author: Gatto (D)

Title: Forensic Testing: DNA Samples

Introduced: 01/06/2015

Last Amend: 04/23/2015

Disposition: Failed

Location: ASSEMBLY

Summary: Amends the DNA Fingerprint, Unsolved Crime and Innocence Protection Act. Requires a blood specimen or buccal swab sample taken from a person arrested for the commission of a felony be forwarded to the Department of Justice after a probable cause determination has been made. Requires persons meeting specified criteria that are convicted of a misdemeanor to provide certain specimens for law enforcement identification analysis. Requires review of nonforensic information to identify additional evidence.

Status: 02/01/2016 Died pursuant to Art. IV, Sec. 10(c) of the Constitution.

8. DE H 141

Primary Sponsor: Miro (R)
Title: Crime Conviction
Introduced: 05/13/2015
Disposition: Pending
Location: HOUSE
Summary: Currently the law requires that any person convicted of a crime identified under the section identifying sexual offenses, or offenses relating to children and incompetents must submit to DNA testing. The DNA testing is compiled and stored in the state DNA database. As many of these individuals are prone to repeat offenses, this database has proven to be a useful crime solving tool. This bill will provide that any person arrested [vs convicted] for any of these specific crimes will now be subject to DNA test
Status: 06/11/2015 HOUSE Amendment No. HA 1 placed with bill.
